

EUFest Teachers Training Programme

Module 3 - Activity: Classroom Activity Planning Template

Classroom Activity Planning Template

Duration: 20-25 minutes

Group Size: Small groups of 3–4 participants

Materials

- Case study worksheet
- Classroom activity planning template

Learning Purpose

To support participants in transforming a complex EU law concept into an engaging, learner-centred classroom activity. Participants apply their understanding of EU law and governance while developing pedagogical strategies that promote critical thinking, active learning, and democratic citizenship education.

Instructions

Step 1	Choose your focus Use the case your group has analysed. Decide which concept you want students to understand. Examples: - Primacy - Direct Effect - Subsidiarity - The role of the Court of Justice - Relationship between EU and national law
Step 2	Design a classroom activity Complete the planning template below

Activity Planning Template

Title of your activity

Target learners

- ☐ Lower secondary
- ☐ Upper secondary
- ☐ VET learners

Learning Objective

By the end of the activity, students will be able to:

EU Concept

Which concept will your activity focus on?

Teaching strategy

Choose one (or more).

- ☐ Discussion
- ☐ Debate
- ☐ Case study
- ☐ Infographic
- ☐ Digital Activity
- ☐ Quiz
- ☐ Concept map
- ☐ Group work
- ☐ Other: _____

Activity Description

Describe the activity in 4–6 sentences.

Materials needed

How will you check students' understanding?

Share your activity

Present your idea to the rest of the group (approximately 2 minutes).

Be prepared to explain:

- Why you chose this teaching strategy.
- How it helps students understand EU law.
- How it could be adapted for different learners.

Reflection

What was the biggest challenge when simplifying a legal concept for students?
